## 1. What is Registration of Registered Agent service?

The Registration of Registered Agent service is provided to facilitate delivery of commonly filed specified forms, other than applications for incorporation of local companies and registration of non-Hong Kong companies, **in electronic form** at the e-Registry ([www.eregistry.gov.hk](http://www.eregistry.gov.hk)) to the Registrar of Companies (“the Registrar”) for registration. This service is not applicable to delivery of documents in hard copy form to the Registrar for registration.

## 2. What is the role of a Registered Agent (“RA”)? Who can register as an RA?

An RA may deliver documents in electronic form to the Registrar on behalf of a company or a natural person who appointed the RA (“the Appointer”). The RA can be a company or a natural person who must have already registered the status of RA at the e-Registry before it/he/she can act on behalf of the Appointer.

**The registration should not be regarded as conferring a licence on the RA or as providing any recognition of any qualification of the RA.**

## 3. Who can appoint RA? Must all e-Registry users appoint RA?

Company Users (except Business Registration Company Users) and Individual Users of the e-Registry may appoint RAs for the purpose of electronic filing at the e-Registry.

Appointment of RA is an entirely voluntary and optional administrative arrangement. e-Registry users are only required to appoint RAs if they wish to have their documents delivered in electronic form to the Registrar by the RAs on their behalf.

## 4. Can a registered user of the e-Registry appoint more than one RA?

No. A user can appoint only one RA. If the user wishes to appoint another RA, the appointment of the current RA should be terminated first.

## 5. How can I register as an RA?

You can login the e-Registry portal [[Registered Agent \(RA\) > RA Registration](#)] to register as an RA. After you have read and accepted the Terms and Conditions for registration as RA, provided your website or email address (if any) and major scope of business, the process of registration is completed. A message confirming your registration together with your Agent Number will be displayed for your record. Your registered details will be shown in a List of Registered Agents which is available for public inspection at the e-Registry free of charge. The registration process is illustrated at [Annex](#).

## 6. I/My company wish(es) to appoint an RA. Where can I find the information of RAs registered with the e-Registry?

A List of Registered Agents is available at the e-Registry for public inspection free of charge. You can obtain information on the names of RAs, Agent Numbers, website or email addresses (if provided), etc. This list is provided for reference only.

**The appointment of an RA to act on behalf of a Company User or any Individual User is an entirely voluntary arrangement between the Appointer and the RA. In no circumstances shall the Registrar be held liable for any disputes arising therefrom.**

## 7. How can I notify the Companies Registry of the appointment and/or cessation of appointment of an RA?

You can login the e-Registry portal and select the appropriate type of notification from [[Registered Agent \(RA\) > Appointment/Cessation of RA](#)] to report the appointment or cessation of appointment of your RA. The [Form E-RAG1](#) “Notification of Appointment or Cessation of Appointment of a Registered Agent” with prefilled information will be generated by the system for your signing and submission electronically. The detailed process is illustrated at [Annex](#).

## 8. How can I report my cessation to act as the RA of a company or a natural person?

You can login the e-Registry portal and select [Registered Agent (RA) > Appointment/Cessation of RA] and select “Ceasing to act as a Registered Agent” to report your cessation as an RA of a company or a natural person. The Form E-RAG2 “Notification of Ceasing to Act as Registered Agent” with prefilled information will be generated by the system for your signing and submission electronically.

## 9. I am not a registered user of the e-Registry, can I appoint an RA by using a hard copy form?

Yes. Any natural persons who have not registered as Individual Users at the e-Registry can appoint or cease the appointment of their RAs by delivering a Form RAG1 “Notification of Appointment or Cessation of Appointment of a Registered Agent” in hard copy form. Form RAG1 is available under the “Download” section of the e-Registry and the “Electronic Services > Electronic Services at the e-Registry” section of the Companies Registry’s website ([www.cr.gov.hk](http://www.cr.gov.hk)).

## 10. Do I need to pay for the Registration of RA service?

No. Registration and deregistration of an RA and appointment or cessation of appointment of RA are free of charge. The RA is only required to pay the relevant fees for documents and applications delivered through the e-Registry.
